MEMORANDUM OPINION

After the magistrate judge denied Petitioner Javon Santrell Foster's motion to proceed *in forma pauperis* and Mr. Foster failed to pay the filing fee, the magistrate judge filed a report recommending that the court dismiss this action for failure to prosecute. (Doc. 6). The magistrate judge notified Mr. Foster of his right to file specific written objections to the report and recommendation and warned him of the consequences of failing to do so. (*Id.* at 2–3). Mr. Foster has not filed any objections within the deadline.

Mr. Foster's failure to file specific objections waives any challenge to the proposed findings and recommendations. *See* 28 U.S.C. § 636(b)(1); 11th Cir. R. 3-1. In the light of the proposed findings, the court agrees with the proposed recommendation. The court therefore **ADOPTS** the magistrate judge's report and

ACCEPTS the recommendation. Accordingly, the court **WILL DISMISS** this action **WITHOUT PREJUDICE** for failure to prosecute.

DONE and **ORDERED** this August 5, 2024.
